## Work Experience

---

### 2021-2023

Vaultoro  
Berlin, Germany

### UI/UX and Graphic Designer

As the UI/UX and graphic designer at Vaultoro, a cryptocurrency exchange company, I am responsible for the design of the website, application, and dashboards. In addition, I maintain the company's brand visual identity and create marketing materials.

### 2020-2020

(Freelance)  
Incrole  
Tehran, Iran

### UI/UX and Graphic Designer

As a design lead, I managed and delivered all design materials, including UI/UX, branding, and print materials, for a B2B HR solutions company. I demonstrated strong leadership skills and attention to detail, resulting in successful projects. I am confident in my ability to lead and manage design projects in a professional environment.

### 2018-2020

Iran Talent  
Tehran, Iran

### Junior UI Designer

As a junior designer, I was given the opportunity to gain valuable UI/UX experience at the largest recruitment platform provider in Iran. My responsibilities included redesigning the dashboard, prototyping, and creating iconography. This position allowed me to develop my skills and establish a strong foundation in UI/UX design.
