Location

Berlin, Germany

Experience

+ 5 yrs

About me

I'm an experienced UI/UX Designer with a demonstrated history of working in the information technology and services industry. Strong art and design professional skilled in Adobe Photoshop, Adobe Illustrator, Adobe XD, Figma and more.

Work Experience

2021-2023

Vaultoro
Berlin, Germany

UI/UX and Graphic Designer

At Vaultoro, a cryptocurrency exchange company, I am responsible for UI/UX design of everything related to the website, application, and dashboards. In addition, I'm taking care of the brand visual identity and preparing print materials for the marketing team.

2020-2020

(Freelance)
Incole
Tehran, Iran

UI/UX and Graphic Designer

As a design lead in a two-member team I was responsible for delivering all the design materials from UI/UX to branding and print requirements, in this B2B HR solutions company.

2018-2020

Iran Talent
Tehran, Iran

Junior UI Designer

I kick-started my UI/UX experience here, in the largest recruitment platform provider in Iran. As a junior designer my responsibilities were limited to redesigning their dashboard, prototyping, and iconography.

2017-2018

Digikala
Tehran, Iran

Graphic Designer

Digikala is the biggest and the most famous e-commerce company with numerous sub-brands and products in the middle east (similar to Amazon). As a member of its large design team, I was designing print materials initially. After some time my responsibilities expanded to digital materials for different platforms.

Work Experience

2017-2018

(Volunteering)
AIESEC University
of Tehran
Tehran, Iran

Marketing Design Team Leader

I led a design team of 5 members delivering social media designs and print materials for this branch of this youth-run international organization.
